Letter of Recommendation for Ryan Brennan

To Whom It May Concern:

I am writing to you in regard to Ryan Brennan who is applying to a position within your company. I had the pleasure of hiring and working with Ryan at the Bear Lake Marina Side KOA in Garden City, Utah. I hired him as a front desk receptionist for the entire 2020 summer season.

Ryan is a solid example of persistence, humor, and articulation. He completed his work in a timely manner while creating a positive experience for all of our campers. Ryan quickly learned how to manage our computerized systems to make reservations and check-in our campers. He also communicated our policies clearly with everyone. Ryan clarified important points constantly and made our operation run more smoothly.

Ryan has been both admired and respected by supervisors, co-workers, and others visiting the grounds. He rises to any occasion and works well in a team environment to accomplish tasks. He thinks analytically and overcomes problems well, which are both admirable traits. Ryan flourishes in these situations.

To conclude, I have no hesitation in recommending Ryan Brennan for a position within your company. If you have any further questions regarding Ryan's ability or this recommendation, please do not hesitate to contact me.

Sincerely,
